

# His Name Is Jesus

Al Green

Who raised the mountain 'bove the waters?  
Who drew the steaming clouds?  
Who do the limbless cry out after?  
Who rings the thunder loud?  
Who makes the stars twinkle in the sky?  
Who makes the moonbeam glow?  
Who makes the heaven, [?] I was singing  
I can't say I don't know

His name is Jeeeeeeesus  
His name is Jeeeeeeesus  
His name is Jeeeeeeesus  
His name is Jeeeeeeesus

Who cries for mercy when I'm in trouble?  
Who takes the victory?  
Who makes the pain go away?  
Who sets my spirit free?  
Who makes my mamma love me in spite of  
The things that I might do?  
There's no denying, even if she's crying  
She loves me through and through

Because of Jesus (God Almighty)
