

Without a whisper  
Without a chore  
All without ambition  
That awaits 10,000's roar  
The perfect vision  
Of less is more  
Awake in me  
Lotus Flower

Without conditions  
Without a door  
Me & my religion  
Reachin' fame  
And keepin' score  
Somewhere the vision  
Of less is more  
Still waits in me  
Lotus Flower

Those golden chimes  
Ring in roundelay  
In time chasin' pride away  
Far away from sight  
Somewhere tonight  
A child is waiting

Those golden chimes  
Ring in roundelay  
In time chasin' pride away  
Far away from sight  
Somewhere tonight  
A child is waiting

Without a whisper  
Without a chore  
All about ambition  
That awaits 10,000's roar  
The perfect vision  
Of less is more  
Awake in me  
Lotus Flower
