

# Love Is Real

Al Jarreau

You think that love  
is just a fairy tale  
Maybe true love is sold  
and bought  
Hansel and Gretel found  
their candy getting stale  
And you're gonna find  
You ain't no Goldilocks

When those bells just  
keep on ringing  
And that song you're singing  
And you want to share  
your Mondays-  
Right through to Sundays  
Your best friend is softly speakin'  
She won't call this weekend  
No way-it's only a fling you say  
But  
Love is real, yes it is girl  
Never let anyone  
tell you different  
when you can feel it  
Love is real, yes it is mama  
Never let anyone  
tell you different  
When you can feel this  
feeling's for real

Let me tell you something  
Don't go away  
Don't you stray  
Let me tell you something  
Don't go away  
Don't you stray

You think that love's  
What's on that silver screen  
Raquel and Redford are the tops  
You've been misled  
by all those movies you've seen  
Love ain't a robber  
Hidin' from the cops

When you toss 'n' turn all morning  
And you wake up yawning  
And you walk that floor all evening  
And you should be leaving  
And you find yourself pretending  
You've got a happy ending-  
No way-it's only a fling you say  
But
