

A Pretty Girl Is Like a Melody

Al Jolson

A pretty girl is like a melody
That haunts you night and day,
Just like the strain of a haunting refrain,
She'll start up on a marathon
and run around your brain.
You can't escape, she's in your memory
by morning night and noon.
She will leave you and then come back again
A pretty girl is just like a pretty tune.

A pretty girl is like a melody
That haunts you night and day,
Just like the strain of a haunting refrain,
She'll start up on a marathon
and run around your brain.
You can't escape, she's in your memory
by morning night and noon.
She will leave you and then come back again
A pretty girl is just like a pretty tune.
