

## I'm Just Wild About Harry

Al Jolson

I'm just wild about Harry  
And Harry's wild about me!  
The heav'nly blisses of his kisses,  
Fills me with ecstasy!

He's sweet just like chocolate candy,  
Or like the honey from the bee  
Oh, I'm just wild about Harry,  
And he's just wild about me.

Now I'm just wild about Harry  
And Harry's wild about me!  
The heav'nly blisses of his kisses,  
Fills me with ecstasy!

Say now he's sweet just like chocolate candy,  
Or like the honey from a bee  
Oh, I'm just wild about Harry,  
And he's just wild about, cannot do without,  
He's just wild about me.
