

# I'm Sitting On Top of the World

Al Jolson

I'm Sitting on top of the world  
I'm rolling along  
Yes rolling along  
And I'm Quitting the blues of the world  
I'm Singing a song  
Yes Sing a song  
Glory hallelujah, I just phoned the parson  
Hey, par, get ready to call  
Just like humpty dumpty,  
I'm going to fall

I'm Sitting on top of the world  
I'm rolling along  
Yes rolling along  
Don't want any millions  
I'm getting my share  
I've only got one suit (one suit)  
That's all I can wear  
A bundle of money won't make you feel gay  
A sweet little honey is making me say

I'm Sitting on top of the world  
I'm rolling along  
Yes rolling along  
And I'm Quitting the blues of the world  
I'm Singing a song  
Yes Sing a song  
Glory hallelujah, I just phoned the parson  
Hey, par, get ready to call  
Just like humpty dumpty,  
I'm going to fall

I'm Sitting on top of the world  
I'm rolling along  
Yes rolling along
