

# Fly On

Al Kooper

Kooper

If you think that I'm not loving you  
If you think I'm not doing the things I said I'd do  
Well, some of us among you would say you were mistaken  
Some would say you were paranoid  
To bring about heartbreaking

If ya can't check yourself  
If you can't return my caress  
Woman I refuse to dwell in a house of bitterness  
I could love you deeper than any woman ever loved a man  
But if you can't get next to me than I will let go of your hand  
And you can fly on  
Go ahead & fly on  
I know you got to fly on  
Go ahead & fly on

Oh I can see the change that's come into your eye  
There's another face in the space I used to occupy

Aw you don't have to say a word  
Your face says you've decided  
Oh but noone knows what wrong is, honey  
Until after they've tried it

So go & fly on  
I know you got to fly on  
Go ahead & fly on  
Go ahead & fly on

I will always love you no matter what you do  
As a matter of fact my love  
Will just grow stronger if we're through  
And if by chance you ever see the error in your ways  
Then I will take you back again  
And we can live like yesterday and

Fly on  
Together we could fly on  
We could fly on  
Together we could fly on
