

Honey In The Rock

Alabama 3

Well baby I'm gettin' stir crazy,
I'm goin' down the avenue,
Meet my connection on the corner,
Between 1:30 a.m. and 2,

I got me a pretty money,
I been hustling so hard all week,
But don't you say "No" baby,
Let it blow,
Rock up and roll with the freaks!

(chorus X2)

Is there honey in the rock?
Has love gone out to smoke?
Could you be more ever lovin' baby?

I don't know if I'm ready
to follow you downwwwn
heaven's on the 21st floor

oh I might be in heaven
but I see stormy weather
cause a hard rain, a hard rain's gonna fall!

chorus X2

You and me
and the devil
make three
my sweet ménage à trois

Baby!
Remember when we loved each other only
with nobody to control our precious moments
the situation's blowing my mind!

oh yeahhhh
