Dear Mrs. Robinson, your boy died today  
He died a brave man far away  
We had our dope, stashed it up real fine  
Inside his mind

So we removed his brain and put in a K  
He'll come back to you that way  
And when you get him home, we hope you'll dig it out  
Dig it out

And when you get it dear, will you make sure of this  
To give it back to me,  
Because me and my offices have got a lot of clout

Micky Mouse's body bag gets FedExed from Kabul  
Minnie Mouse, she wonders why the body bag's half-full  
Oligarchs and oil barons tell Walt Disney the news  
John Wayne marches off to war in Donald Duck's shoes

1 2 3 what are we fighting for,  
Don't ask me I don't give a damn, next stop Afghanistan  
5 6 7 open up the pearly gates  
There ain't no time to wonder why we're all gonna die

From napalm to phosphorous, suicide to bombs  
Mekong Delta, Helmand province, Taliban to Vietcong  
Ghost ride to Guantanamo, Rambo 1 to 5  
Put your full metal jacket on, no one here gets out alive

1 2 3 what are we fighting for,  
No one here gets out alive  
1 2 3 what are we fighting for,  
No one here gets out alive

No one here gets out alive
