Forever's as Far as I'll Go

I'll admit I could feel it The first time that we touched. The look in your eyes Said you felt as much But I'm not a man Who falls so easily It's best that you know Where you stand with me

I will give you my heart Faithful and true And all the love it can hold That's all I can do But I've thought about How long I'll love you And it's only fair that you know Forever's as far as I'll go.

When there's age around my eyes And gray in your hair And it only takes a touch to recall The love we've shared I won't take for granted That you know my love is true Each night in your arms I will whisper to you.

I will give you my heart Faithful and true And all the love it can hold That's all I can do But I've thought about How long I'll love you And it's only fair that you know Forever's as far as I'll go.
