

Love Is Everywhere

Alain Clark

Hiding in the shadow, every corner of the world
Sleeping in the heart of every brand new boy or girl
Show it in the feeling they get from whatever makes you smile
Ooh, it's everywhere

Love is everywhere you are
Everywhere around
Everywhere you go
Love is you

Find it in the letter a soldier wrote to send his wife
See it in the bravery of the man who saved your life
Find it in the mother's eyes looking at her child
It's everywhere

Love is everywhere you are
Everywhere around
Everywhere you go
Love is you

Love is something that you make
Something that you give
Something that you are
Love is you

And oh if you look
If you look in the right places
It's got a million faces
And you can find the traces
The traces of love
Everywhere

Oh oh oh

Mothers now help me sing

Oh oh oh

Love is everywhere you are
Everywhere around
Everywhere you go
Love is you

Ladies help me sing

Love is everywhere you are
Everywhere around
Everywhere you go
Love is you
