

Wonderful Day

Alain Clark

Wonderful day by Alain Clark
Gotta get awake, 'cause life is coming at me fast
Without a single sign of slowing down
And lately all I ever see
Are shadows casting over me
Something better turn this tide around

But I can feel it
I can feel it
There's no doubt that
It's gonna be a...

Wonderful day
Today's gonna be a wonderful day, for me
Wonderful day
Today's gonna be a wonderful day, for me
Wonderful day

Oeeh, something's got to change
'Cause I'm about to lose my mind
There's really only so much I can take
To be always in the rain
Ain't no good for every man
Every now and then I need a little break

But I can feel it
I can feel it
There's no doubt that
This will be a...

Wonderful day, yeah
Today's gonna be a wonderful day, for me
(Wonderful day for me)
Wonderful day
Today's gonna be a wonderful day, for me

It's gonna be a
Wonderful day
Yes, it's is
Today's gonna be a wonderful day, for me
Wonderful day, for me
Wonderful day
Oehoe
Today's gonna be a wonderful day for me

Wonderful day

All of my worries
Lost in time
All my troubles are gone
Away

(Wonderful day)

Oh, I can feel it
I can feel it
There's no doubt that

This will be a...

Wonderful day
Today's gonna be a wonderful day, for me
(Oehoe, for me)
Wonderful day
(Wonderful day, ooh)
Today's gonna be a wonderful day, for me
(For me, for you, yeah)

Wonderful day
Ahaa
Today's gonna be a wonderful day for me
A wonderful day for me, yeah
Wonderful day
Oehoe
Today's gonna be a wonderful day for me
(Wonderful day for me, yeah)

Today, today
Everything's gonna go my way
(Everything's gonna go my way)
Yes it is, ooh

Today, today
Everything's gonna go my way
(Everything's gonna go my way)
Yes it is, yes it is

I said today, today
Hmm, everything's gonna go my way now
(Everything's gonna go my way)
Oeh, yes it is

I said today, today
Everything's gonna go my way
(Everything's gonna go my way)
Ooh, yeah
Ooh, today
(Everything's gonna go my way)
