Divine  
Our love is divine  
Got me wishin', wishin', wishin' on a sign  
Manifesting what is mine

I got you covered if you  
Tryna uncover me, you  
Don't need no complications  
I'll make it easy on you, I had a vision  
And that shit's a given too

Know that every time you come around, I'm down for you  
Ain't no doubt I'm down for you  
Say it's wavy my love, 'cause I just keep it one hun'  
I cross my heart I'm down for you, I'll do all the things you wanna d  
o  
Down for you

Refined
