

Papacito

Alaina Castillo

Love the way that you say what I'm thinking
Like you already know what I'm wanting
Tell me all of the things that I'm missing
But I already know that you're fronting
I can't lie that I feel the connection
Feel that chemistry building the tension

But I got a man and he treats me right
And I don't wanna give the wrong signs but I feel like

Oh, oh, oh, oh
Every time I say I'm done
How you pull me right back like
Oh, oh, oh, oh
And I'm sorry but I can't do that, oh, papá rico
Sabes que yo te lo digo "no puedo más"
Deep down, I really want you like that but can't misbehave
Oh, papacito
Sabes que no necesito
Lo que me das
Girl wants what a girl can't have but
Can't walk away oh papá rico
Y-yeah, o-oh, papá rico

How'd the space in between us get closer?
Suddenly you're right over my shoulder
And you joking like this shit ain't over
Boy, stop teasing let's give this some closure
You say closure don't come with your clothes on
When you've wanted that someone for so long

But I got a man and he treats me right
And I don't wanna be that type but I feel like

Oh, oh, oh, oh
Every time I say I'm done
How you pull me right back like
Oh, oh, oh, oh
And I'm sorry but I can't do that, oh, papá rico
Sabes que yo te lo digo "no puedo más"
Deep down, I really want you like that but can't misbehave
Oh, papacito
Sabes que no necesito
Lo que me das
Girl wants what a girl can't have but
Can't walk away oh papá rico
Y-yeah, o-oh, papá rico

I ain't tryna tell you that there's nothing right here (Right here)
We got something right here (Right here)
We got something that's clear
I just wish you had some better timing, that's all (That's all)
'Cause your timing has been off (Has been off)
Yeah, your timing's all wrong (All wrong)
Oh, papacito, ye-yeah, oh, papacito
Oh, papacito, no, oh, papacito
(No sé qué está pasando pero creo que me gusta)

No sé qué está pasando pero creo que me gusta
Y sé que no debería pero
