

# Like a Drum

Alaine

My Heart is falling catch it please  
She run to me like a tropic breeze  
Cool and calm like satins seas  
Faith gimmi the tightest the hottest squeeze  
So when me stress out she give me magic ease  
Just like the high-grade chronic trees  
To describe me caah find the adjectives  
No here comes my love don't panic please  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you come  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you, when you come  
Kick start my heart when I see you  
There's a drown rolling in my soul when i feel you  
Riddim up up up  
Play it again, riddim up up up  
My drumma man, riddim up up up  
Its like a marching band in my heart  
Boom, boom boom is beating like, beating like a drum  
Oooohhh when you come  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you, when you come  
Say she heavier for the pay  
Sexy pretty brown eyes behind proto shades  
She sip the Bales, I rather grades  
Her style cutting edge like barber blades  
Well she nuh tek chat or else a bizz  
Me wah fi see you wearing only accesories

You make me feel what high blood pressure is  
Nuh fix up me we tek it pon the deck as is  
Hmmm, a dat mi would appreciate  
Lord me done see seh a me she rate  
so girl lets fly right thru dis gate  
Cause your love is  
so pure and so great  
You anticipating this moment of your life with dis natty head dread locks  
you know it worth while  
Thats why you always be coming home to me  
No matter how the cuss or the fight  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you come  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you, when you come  
Boom boom, when you, when you come  
Boom boom, when you come  
Crash into me with every beat  
Feel your power  
Give me your love, I need your touch, every hour  
Riddim up up up  
Play it again, riddim up up up  
My drumma man, riddim up up up  
This is heaven in My heart, boom boom is beating like, beating like a drum  
When you come  
My heart, boom boom is beating like, beating like a drum  
Oooohhh when you, when you come  
Boom boom, when you, when you come

when you come.
