

Not One

Alaine

You don't have to wonder, don't fret,
I'll be right here with you until my last breath.
Come closer baby, got something to show ya,
You're all that I need and I know you know it.
Say there is nothing in this world that I wouldn't do for ya,
Just ask me and baby believe me, I will come through for ya.

You're my sunshine, you're my rain,
You're my joy and you're my pain.
Like you're underneath my skin,
It's like you're flowing through my veins.

Say how many times do you have to wonder how much I care for yo
u,
And how many time do you have to question if my love for you is
true,

Not one (na na)
No not one (na na na na na na na na) x4

You belong to me, I belong to you, yeah
You are my property, paid in full, yeah
Said I'm all in and there is no way I'm ever turning back.
This is the beginning and there will be no ending to it.

You're my sunshine, you're my rain,
You're my pleasure, you're my pain.
Like you're underneath my skin,
It's like you're flowing through my veins.

Say how many times do you have to wonder how much I care for yo
u,
And how many time do you have to question if my love for you is
true,

Not one (na na)
No not one (na na na na na na na na) x4

Say how many times do you have to wonder how much I care for yo
u,
And how many time do you have to question if my love for you is
true,

Not one (na na)
No not one (na na na na na na na na) x4
