

## Back

Alan Jackson

Tomatoes on the vine, elderberry wine  
Last week's clothes dryin' on the line  
Momma in the kitchen, daddy down the hall  
Bourbon on the table, Jesus on the wall

Front porch, back porch, crickets in the trees  
Plowin' up the garden, puttin' down the seed  
Build a little scarecrow, stringin' up the beans  
Prayin' for the sunshine, pullin' up the weeds

Back, I'm bringin' country back  
Back where it belongs, back on track  
I think ol' Hank would like it like that  
I got my boots, I got my hat  
I'm bringin' country back

Pickup truck, four-wheel drive  
Catfish dinner on a Saturday night  
Shirt tail in Sunday, dinner on the ground  
Back in time for football, pour another round

Back, I'm bringin' country back  
Back where it belongs, back on track  
Yeah, I think ol' Hank would like it like that  
I got my boots, I got my hat  
Lord, I'm bringin' country back

Two-step, three-step, dancin' in line  
Gas up that old John Deere, take her for a ride  
Cruisin' 'round the court square every Friday night  
Ride out in the country, see the lightnin' bugs light

Find a little June bug, tie him on a string  
Fly him in a circle till your head begins to swing  
Patch an old tire tube, float it down the stream  
Blue jeans, prom queens, homemade ice cream

Back, I'm bringin' country back  
Back where it belongs, back on track  
Yeah, I think ol' Hank would like it like that  
I got my boots, I got my hat  
I'm bringin' country back

Strum a little guitar, pick an old song  
Grandma on the banjo, family sings along  
Baby makes the cornbread, sister makes the tea  
Dance a little jig 'round the kitchen with me

Back, I'm bringin' country back  
Back where it belongs, back on track  
Yeah, I think ol' Hank would like it like that  
I got my boots, I got my hat  
Lord, I'm bringin' country back

Fishin' in a Jon boat, giggin' in the dark  
Eatin' watermelon on a table in the yard  
Chicken in a brown bag, picnic in the park

Draggin' up the hay bales, stack 'em in the barn ya'll

Songs about heartbreak, pair of swingin' doors  
Ridin' on the tailgate, sawdust on the floors  
Jukebox, tater tots, prayin' on our knees  
Andy on the TV, lovin' on Aunt Bee

Back, yeah, I'm bringin' country back  
Back where it belongs, back on track  
Yeah, I think ol' Hank would like it like that  
I got my boots, I got my hat  
I'm bringin' country back

Workin' for a livin', proud to pay the man  
Wake up every mornin' happy that we can  
Yes sir, yes ma'am, stand up for the flag  
Thank the Lord in Heaven for the freedom that we have

Back, I'm bringin' country back  
Back where it belongs, back on track  
Yeah, I think ol' Hank would like it like that  
I got my boots, I got my hat  
I'm bringin' country back
