

## It's Time You Learned About Good-Bye

Alan Jackson

Well, I've been on the wrong side  
Of the front door too often  
Watched you slam it in my face  
Well I may learn the hard way  
I'm not a soft one  
Tonight I'm standin' in your place

'Cause you taught me a lot about leavin'  
Won't even have to try  
So here's your lesson in heartache and grievin'  
And a chance for you to cry  
'Cause it's time you learned about good-bye

I've stood behind you  
And I've laid beside you  
But I won't do that anymore  
'Cause I'm tired of bein'  
Just here when you want me  
Tonight I'm walkin' out that door

'Cause you taught me a lot about leavin'  
Won't even have to try  
So here's your lesson in heartache and grievin'  
And a chance for you to cry  
It's time you learned about good-bye

You taught me a lot about leavin'  
Won't even have to try  
So here's your lesson in heartache and grievin'  
And a chance for you to cry  
It's time you learned about good-bye

Yeah, you taught me a lot about leavin'  
Won't even have to try  
So here's your lesson in heartache and grievin'  
And a chance for you to cry  
'Cause it's time you learned about good-bye

It's time you learned about good-bye  
It's time you learned about good-bye
