

## Little Bitty

Alan Jackson

Have a little love on a little honeymoon  
You got a little dish and you got a little spoon  
A little bitty house and a little bitty yard  
Little bitty dog and a little bitty car

Well, it's alright to be little bitty  
Little hometown or a big old city  
Might as well share, might as well smile  
Life goes on for a little bitty while

A little bitty baby in a little bitty gown  
It'll grow up in a little bitty town  
Big yellow bus and little bitty books  
It all started with a little bitty look

Well, it's alright to be little bitty  
Little hometown or a big old city  
Might as well share, might as well smile  
Life goes on for a little bitty while

You know you got a job and a little bitty check  
Six pack of beer and television set  
Little bitty world goes around and around  
Little bit of silence and a little bit of sound

A good ole boy and a pretty little girl  
Start all over in a little bitty world  
A little bitty plan and a little bitty dream  
It's all part of a little bitty scheme

Well, it's alright to be little bitty  
Little hometown or a big old city  
Might as well share, might as well smile  
Life goes on for a little bitty while
