

Heading Home

Alan Walker

I don't know which way to go
When it's dark outside and I can't see no more
Try to fight the world alone
I am lost in silence and nobody knows that I

I remember when we were young, our lives were grains in the sand
And we, we will conquer them one by one, but tonight I stand alone

Nobody sees me, now I'm a one-man show
I'll do this alone
We knew it all but, right now I just don't know
Cause I'm heading home now

Now I know I couldn't stay
At a million words I didn't know what to say
When I gave my soul to take
And the devil took it, it faded away

But I still remember when we were young, our lives were grains in the sand
And we, we will conquer them one by one, but tonight I stand alone

Nobody sees me, now I'm a one-man show
I'll do this alone
We knew it all but, right now I just don't know
Cause I'm heading home now
