

OK

Alan Walker

It's so uncomfortable at times  
Finding it so hard to say I'm broken (again)  
The things we never talk about  
I'm a bit afraid to let you know it

When I told you it was fine  
It was just another lie  
Just like boys don't cry

Lost in the threads  
Of a little spiderwebs  
Got me hiding in a corner  
Trying not to call it  
This is how the heart breaks  
Just like you said  
A fairy tale from hell  
Thanks to everything you told me  
Even though I'm only... (Imma)  
Imma be OK
