

# Tired

Alan Walker

Cold hands, red eyes  
Packed your bags at midnight  
They've been there, for weeks  
You don't know what goodbye means  
Just roll up a cigarette  
Just forget about this mess  
I'm waiting on the sidelines  
From the sidelines

I see those tears in your eyes  
And I feel so helpless inside  
Oh love, there's no need to hide  
Just let me love you when your heart is tired  
If your ghost pulls you apart  
And it feels like you've lost who you are  
My love, there's no need to hide  
Just let me love you when your heart is tired  
Just let me love you when your heart is tired  
Just let me love you when your heart is tired

When you whisper, I'm alright  
But I see through your white lies  
But these walls, don't talk  
And if they could they'd say  
Can't hide, your secrets  
You can't forget about this mess  
I'm waiting on the sidelines  
From the sidelines

I see those tears in your eyes  
And I feel so helpless inside  
Oh love, there's no need to hide  
Just let me love you when your heart is tired  
If your ghost pulls you apart  
And it feels like you've lost who you are  
My love, there's no need to hide  
Just let me love you when your heart is tired  
Just let me love you when your heart is tired

I know right now, you feel alone  
And all the good things, they hurt the most  
But it's a long way done, yeah it's a long way down

I see those tears in your eyes  
And I feel so helpless inside  
Oh love, there's no need to hide  
Just let me love you when your heart is tired  
Just let me love you when your heart is tired
