

Warpaint

Alan Walker

Verse 1

I could feel the enemy
Reaching through the mirror, draining me day and night
Nothing that was done to me
Compares to the terrors dwelling in my state of mind

Pre-Chorus

Where's my redemption? Make me a legend
My resurrection is in your hands
Where's your commotion? Too much aggression
I raise my weapons where I stand
So don't you forget where you came from (No)
We grew from the ground from the dead, yeah
If you only knew what you mattered (Yeah)
You wouldn't doubt that you're ready (Ooh)
'Cause you are the warrior
You are the warrior
The only warrior (Ooh)
You are the warrior
You are the warrior
We are the warriors
So let them know

Chorus

This blood is my warpaint
This sweat is my warpaint
These tears are my warpaint
Eh, eh
So let them know
This blood is my warpaint (This is my warpaint)
This sweat is my warpaint (This is my warpaint)
These tears are my warpaint (This is my warpaint)
Eh, eh
So let them know

Verse 2

You should never cry for me
Bury me a soldier, come to you in a form of dreams
Everything has died to me
But I would do it over, every little choice I've made

Pre-Chorus

Where's my redemption? Make me a legend
My resurrection is in your hands
Where's your commotion? Too much aggression
I raise my weapons where I stand
So don't you forget where you came from (No)
We grew from the ground from the dead, yeah
If you only knew what you mattered (Yeah)
You wouldn't doubt that you ready (Ooh)
'Cause you are the warrior
You are the warrior
We are the warriors (Ooh)
You are the warrior
You are the warrior

We are the warriors
So let them know

Chorus

This blood is my warpaint
This sweat is my warpaint
These tears are my warpaint
Eh, eh
So let them know
This blood is my warpaint (This is my warpaint)
This sweat is my warpaint (This is my warpaint)
These tears are my warpaint (This is my warpaint)
Eh, eh

Bridge

So I learned how to love my battle scars
(I love my battle scars)
'Til every cut, every stitch is not ignored
(I gotta learn to love)
And I swear I can learn how to love my battle scars
(I love my battle scars)
I won't ever find my peace without the war
(I gotta learn to love)
'Til I love my battle scars
