

## amen (the one take)

Alana Springsteen

Maybe I don't wanna get married  
But I could see me in a white dress one day  
Maybe the love of my life's all my friends  
Amen

Maybe I been missing church lately  
But I still get on my knees and pray  
Maybe it's fine if I'm doing my best  
Amen

And I'm sorry to my mama  
But I'ma live the way I wanna  
So I know this life was mine in the end  
And I give myself permission  
To go and make some bad decisions  
'Cause I'm only trying to find out who I am  
Amen  
Amen, amen

Maybe I'ma buy my own house  
Hang the chandelier on my own  
Maybe I don't want a white picket fence  
Amen

Maybe I'ma break hearts being selfish  
'Cause I'll know when I know  
I don't need a happy ending  
Amen

And I'm sorry to my mama  
But I'ma live the way I wanna  
So I know this life was mine in the end  
And I'm sorry to my hometown  
I just couldn't let my dreams down  
If I had to I would do it all again  
Amen  
Amen, amen

And I'm sorry to my mama  
But I'ma live the way I wanna  
So I know this life was mine in the end  
And no, I ain't got all the answers  
But I'm finding mine for damn sure  
And I mean it, so I'm saying it again  
Amen
