

Close To Me

Alana Springsteen

Seeing Exit 11 gets me every time
Wanna pull off and park in a field like we did that night
Still got your sweatshirt
It was cold outside
Now it's 90 degrees and I got it on
And I don't know why
Why you still got me
Somebody stop me
I don't wanna go down that road

I know that you'll never come back
You know that I had to leave
Sometimes I wanna lean on what used to be
I kinda hate that I do that
Don't do it intentionally
But I find a way to keep you close to me
I keep you close

I order whiskey
But it ain't my drink
Yeah, I turn the game on
Just to check on your team
I scroll back to last year's photos on my phone
Whenever I go there
I swear, I can't turn it off

I know that you'll never come back
You know that I had to leave
Sometimes I wanna lean on what used to be
I kinda hate that I do that
Don't do it intentionally
But I find a way to keep you close to me
I keep you close
I keep you close
(Close)
I keep you close

I know that you'll never come back
You know that I had to leave

I know that you'll never come back
You know that I had to leave
Sometimes I wanna lean on what used to be
I kinda hate that I do that
Don't do it intentionally
But I find a way to keep you close to me
I keep you close
I gotta keep you close
I gotta keep you close
I gotta keep you close
