

# Bitch

ALA.NI

I can do it in the nice way  
I can do it in the nice way  
I can do it in the nice way  
Or I can be a bitch  
I can be giving each day  
I can listen to what you say  
I can spread love in a true way  
Sorry I've been a bitch  
Let me hold you through the night  
Doing sweet things we both like  
Let me hear you  
And feel you  
Let me be your bitch  
I will do it in a nice way  
I will be right in a right way  
I will love you in a good way  
Just tell me I'm your bitch

Tell me I'm your bitch

Tell me  
I'm your bitch
