

Differently

ALA.NI

Everyone does their thing a little bit differently
Everyone does their thing a little bit differently, oh
Everyone does their thing a little bit differently
Everyone does their thing a little bit different

Satisfaction guaranteed, I'm not showing my full hand now
Ooh, I'm too old to cry, but it hurts too much to laugh now
When I'm angry I count to four, too angry, I find the door now
I shape the life full of strife and take back what is mine some
how

'Cause

'Cause every man does his thing a little bit differently, oh
Every man does his thing a little bit differently, yeah
Every man does his thing a little bit differently, oh
Every man does his thing a little bit different

Don't take badness or war, don't even go there now
I'm chasing Johns because I'm mentally unstable, oh
But I gotta stay natural

Oh, oh, everyone does their thing a little bit differently, oh
Everyone does their thing a little bit differently, oh
Every man does his thing a little bit differently, oh, oh
Every man does his thing a little bit, every man does his thing
a little bit

Every man does his thing a little bit

I do things different to you, you do things different to me
I do things different to you, you do things different to me
I do things different to you, you do things different to me
I do things different to you, you do things different to me
