Papa didn't love me  
Any man take me  
Hold me, hold me  
Love me please  
Papa didn't want me  
Any man have me  
Love me, love me  
Take me please  
Away away away

Papa didn't love me  
Any man take me  
Hold me, hold me  
Love me please  
Papa didn't want me  
Any man have me  
Love me, love me  
Take me please  
Away away away

Papa didn't love me  
Any man take me  
Hold me, hold me  
Love me please  
Mama never told me  
That Papa didn't want me  
So any man can take me  
And love me please

Away away away  
Away away away

Papa didn't love me  
Papa didn't love me  
Papa didn't love me  
Papa didn't love me

Papa didn't love me  
Papa didn't love me  
Papa didn't love me  
Papa didn't love me

Love me, love me
