

Out Is Through

Alanis Morissette

1. Every time you raise your voice I see the greener grass

Every time you run for cover I see this pasture

Every time we're in a funk I picture a different choice

Anytime we're in a rut, this distant grandeur

My tendency to want to do away feels natural

my urgency to dream of softer places feels understandable but I know

R: The only way out is through
The faster we're in the better

The only way out is through ultimately

The only way out is through
The only way we'll feel better

The only way out is through ultimately

2. Every time that I'm confused I think there must be easier ways
Every time our horns are locked I'm towel throwing
Every time we're at a loss we've bolted from difficulty
Anytime we're in stalemate, a final bowing

My tendency to want to hide away feels easier
The immediacy of picturing another place, comforting to go but I know

R: The only way out...

F Dmi
*: We could just walk away and hide our heads in the sand
F Dmi F
We could just call it quits only to start all over again, with

somebody else

3. Every time we're stuck in struggle I'm down for the count that day
Every time I dream of quick fix I'm assuaged
Now I know it's hard when it's through and I'm damned if I
don't, no quick fix way
What formerly was treatment silent's now outdated

My tendency to want to run feels unnatural now
The urgency to want to give to you what I want most feels good and I know

R: The only way out... (2x)
