Dear Matthew, I like you a lot, I realize that you're  
**C G Bm A A+**  
in a relationship with someone right now and I respect  
**D C G**  
that. I would like you to know that if you're ever single  
**D C G**  
in the future and you want to come visit me in California,  
**D C G**  
I would be open to spending time with you and finding out  
**Bm A A+**  
how old you were when you wrote your first song.

Dear Jonathan, I liked you too much, I used to be attracted to  
boys who  
would lie to me and think solely about themselves, and you were  
plenty  
self destructive for my taste at the time, I used to say the mo  
re  
tragic the better, the truth is whenever I think of the early 9  
0's your  
face comes up with a vengeance like it was yesterday.

Dear Terrance, I love you muchly, you've been nothing but open  
hearted  
and emotionally available and supportive and nurturing and cons  
ummately  
there for me, I kept drawing you in and pushing you away, I rem  
ember  
how beautiful it was to fall asleep on your couch and cry in fro  
nt of  
you for the first time, you were the best platform from which t  
o jump  
beyond myself, what was wrong with me.

Dear Marcus, you rocked my world, you had a charismatic way abo  
ut you  
with the women and you got me seriously thinking about spiritua  
lity and  
you wouldn't let me get away with kicking my own ass but I coul  
d never  
really get relaxed and looked out for around you though and tha  
t  
stopped us from going any further than we did and it's kinda to  
o bad  
because we could've had much more fun.

Dear Lou, we learned so much, I realize we won't be able to tal

k for  
some time and I understand that as I do you the long distance t  
hing was  
the hardest and we did as well as we could. We were together d  
uring a  
very tumultuous time in our lives I will always have your back  
and be  
curious about you, about your career, your whereabouts.
