Alaska Thunderfuck

Drop it down low, let me feel it in your pussy hole
Drop it down low, let me feel it in your pussy hole

Drop it low, feel it in your pussy hole
No control, feelin' like a molly roll
Gotta go, for it or you'll never know, for it or you'll never know

Blew in, like a stick of dynamite
Burnin', hotter than a sodomite
Cummin', you're my only kryptonite, you're my only kryptonite

NaNaNaNaNaNaNaaaaaaah
What you wanna do & where you wanna go?
I wanna feel it feel it, in your pussy pussy hole!

Drop it down low, let me feel it in your pussy hole

Get down, let me see your booty clap
Like it, let me get a double tap
Feelin' higher than a google map
Come & drop a pin on me

Givin' head like a power top
Lookin' better than a photoshop
Hatin', Take me to the coffee shop, gotta get some waffles brah
