

# Gimme All Your Money

Alaska Thunderfuck

Hey what's up  
And give me all your money  
Let's be friends  
And give me all your money  
Put your hands up  
And give me all your money  
Give me all your money  
Give me all your money

Shut the fuck up  
And give me all your money  
Sit the fuck down  
And give me all your money  
Put your hands up  
And give me all your money  
Give me all your money  
Give me all your money

I look sickening so give me all your money  
I work so hard I deserve this honey  
I've been working this ass from LA to Alabama  
Turning it out  
From the steam works to the slammer  
Sparkle your eyes like a kaleidoscope  
And when I don't know the words I'm like  
Watermelon cantaloupe  
My body came from Brooklyn  
My hair came from China  
So keep on lucky looking  
Tryna find a boogina

Hey what's up  
And give me all your money  
Let's be friends  
And give me all your money  
Put your hands up  
And give me all your money  
Give me all your money  
Give me all your money

I deserve this  
Give me all your money  
Give me all your money  
Give me all your money  
I deserve this  
Give me all your money  
Give me all your money  
Give me all your money

I got PayPal  
I take personal checks  
Visa  
MasterCard  
And American Express  
This is my website  
This is my phone case  
This is my t-shirt

These are my tour dates  
Product placement  
Celebrity endorsement  
Walk down the street  
And see my picture in the store front  
Trendsetter  
Taste maker  
Home maker  
Cake baker  
Home wrecker  
Heart breaker  
King maker  
Money maker

Ganja, I got you paying a bitch to get smoke  
I tricked and treated to this and get broke  
I'm the wildest thing, word to Tone Loc  
Off my words you're gonna choke  
If you're paying call my hotline  
\$100 a minute  
We ain't got no limits  
Except an hour minimum time  
Alaska, last time time you took my hot phrase  
Went and made it into a hot flick  
I could care less a bitch got paid  
Cha ching (yes GAWD)  
If the register ring  
Estranja gon' sing  
A blank checks what you need  
If you want a fling  
Either that or I need them karrots to bling  
I'm a clipper  
I need that crisper Rupaul money  
I make you holla holla  
Till you falla falla  
Or platinum card honey  
One more thing (Come on platinum card)  
You should know about this chick  
Pink money is the label  
And they say you better pay a bitch quick

Hey what's up  
And give me all your money  
Let's be friends  
And give me all your money  
Put your hands up  
And give me all your money  
Give me all your money  
Give me all your money

Shut the fuck up  
And give me all your money  
Sit the fuck down  
And give me all your money  
Put your hands up  
And give me all your money  
Give me all your money  
Give me all your money
