Everybody  
Welcome to the show  
The rules of engagement are really quite simple  
So if you could pull yourself away from Grindr for two seconds  
Listen up

The use of flash photography is strictly mandatory  
Do you think I look like this so I can exist in your feeble memory? (HA!)  
Take a picture and I'll last forever!  
Get your drinks now people  
The more you drink, the prettier we look

Is this your boyfriend, honey?  
Not anymore!  
Tipping is compulsory  
If you don't know what compulsory means  
I'll spell it out for you  
Tip. These. Men!

It takes a lot of money to look this cheap darling!  
Be kind to your entertainers  
If you see a flaw, squint  
If you see a bulge, don't be mad!  
Some of the most beautiful women in the world have gigantic penises!  
If you see something you don't like  
Something unseemly or offensive  
Something vile or disgusting  
We'll be happy to take your complaints after the show!  
At the corner of 'fuck you and go fuck yourself avenue.com!'  
I'll see you there!  
Bring a sweater

If you think you can do better, sweetheart  
I implore you  
Put on a wig and mash your mouth around to other people's music for 4 and a  
half minutes  
It's not as easy as it looks!  
Do you need a hairpiece?  
Here, you can borrow mine!

Show generosity to these monstrosities!  
Respect, kindness, compassion!  
And most of all, whenever possible  
Tell us we look gorgeous  
Tell us we look gorgeous  
Tell me I look gorgeous!  
Do I look gorgeous? (YEAH!)  
Okay, but how about sexy? (YEAH!)  
Okay, alright, but how about sensual? (YEAH!)  
Alright, but how about breathtaking? Jeez! (YEAH!)  
I swear its like pulling teeth to get a little tiny compliment out of you pe  
ople!  
Now let's review everybody!

Your makeup is terrible  
If you're not wearing nails, you're not doing drag  
Don't ever touch my hair

Anus  
I love your pussy  
Give me all your money  
Absolutely  
Come on nature!  
Come on natch!  
Come on build-up!  
OKCURRRRRRRR
