

**mmm mmm mmm**

## **Alaska Thunderfuck**

Ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
Mmm mmm mmm

Doesn't make sense  
I'm in my head right now  
And what's comin' out my mouth  
Is just nonsense  
I'm never this tense  
I tend to speak my mind  
But somethin' went wrong this time  
And you caused it  
'Cause I talk too much but now  
I'm trippin' on my tongue  
I forget all the words to this song when you walk in the room

I feel it  
You know it  
So show it  
The minute you walk in the room  
I feel it  
You know it  
I forgot all the words to the song, ugh!

Ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
Mmm mmm mmm  
You got me like ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
Mmm mmm mmm

Oh, I can't find the words  
But it's comin' all back in the second verse, okurr?  
I might flip the bird  
See in All Stars, baby, I came in first

Werk, I had it down in my head  
Absurd, every word that I shouldn't have said, uh  
Palms sweatin' and my face is red  
Oh sh-, I lost it again  
Ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
Mmm mmm mmm (Ah)  
You got me like ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
I forget all the words to this song when you walk in the room

I feel it  
You know it  
So show it  
The minute you walk in the room  
I feel it  
You know it  
I forgot all the words to the song, ugh!

Gimme gimme more, gimme gimme more now  
Gimme gimme more, gimme gimme more now

Werk, uh, work  
Gimme gimme more, gimme gimme more now  
Gimme gimme more, gimme gimme more now  
Werk, werk, uh

Ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
Mmm mmm mmm (Ah)  
You got me like ooh ooh, sha-la-la, my heart boom-boom  
Ooh, you make me go mmm mmm mmm (Ah)  
The minute you walk in the room
