Alaska Thunderfuck

Girl, don't try it  
You break it then you buy it  
So don't deny it, just press and reapply it,  
Hard acrylic, gets harder when you fill it,  
So \$20 bill it, and scratch it till you kill it.

If you're not wearing nails,  
You're not doing drag.

Long nails, short nails  
White nails, black nails  
Right nails, wrong nails

As long as theres a ... nails

Straight nails, gay nails  
Love nails, hate nails  
Your nails, my nails

Shave and file, like you're Selina Kyle  
Reflect your style, just keep it versatile  
Spit and polish, conquer and demolish  
Amaze and then astonish,  
Now drink like alcoholics

If you're not wearing nails,  
You're not doing drag.

Super glue some bitch claws,  
Or look like fucking Santa Clause  
Scratch and sniff, take a whiff  
Or put some fucking gloves on.

Just the tip, pussy lip  
All eyes on you, you took the night.
