

Pride

Alaska Thunderfuck

Citizens of earth, it's that time
Pride comes but once per year
And if pride were an acronym
I believe it would stand for the following
Perseverance, resistance, insistence, devotion, emotion
Now, are there any bears here tonight?
Oh, so many, I feel just like Goldilocks
And if that one's too hard,
And that one's too soft,
I'll keep searching
Till I find one that's just right

Pride is not just an excuse
For us to dance shirtlessly
And get wasted in the daytime, no
As important as those traditions are,
We must remember our brave brothers
And sisters who paved the way
For us to be here today
And most of all, we must always remember
The many many hundreds of people
Who died at Stonewall
A- what- wait I'm getting
A message in my earpiece
Uhum, oh, no one died at Stonewall?
Oh oh, Stunning

Don't run and hide
Come take a ride
Just come inside
Cause bitch it's pride
So move aside
I'm dignified
Happy pride, at Stonewall no one died

I'd like to take a moment
To discuss the dresscode
And no, I'm not talking about the exciting
New fragrance by Ivy Winters
This is a notice concerning all tops,
Whether they be tube,
Tank our blouse variety
No sleeves allowed!

And if you're wearing a romper,
Please be romping
And if you're wearing a jumper,
Please be jumping

And if you're wearing a top,
Please, and this is very important
All tops must be cropped
All tops must be cropped
All tops must be cropped

And if you're in drag today,
Please, don't be a heroine
You're six inch stilettos have
No place here, heels be gone!
For pride and for conferences alike,
Heels are no longer mandatory
If you're not wearing flats,
You're not doing drag!
Now, do you have a fan?
Please grab it, okay, are you ready?
Are you in position?
Okay, just checking, alright,
Okay, you ready? Okay
Now do the Vivacious!

Crack, crack, crack, crack, crack,
Crack, crack, crack, crack, crack,
Crack, crack, crack, crack, do the Vivacious!
Crack, crack, crack, crack, crack,

Crack, crack, crack, crack, do the Vivacious!

Cracking fans, throwing shade

And so I want to wish you all a very
And prosperous pride season
Whether you be red,
Orange, yellow, green, blue,
Indigo girl or Violet Chachki
Stay hydrated, eat something delicious,
Wear sunscreen and leopard print
And most of all,
Remember the words of a wise
Philosopher who once said
Anusthing is possible!
