Show up to the gig looking sick
Duct tape residue on my dick
Gotta meet up with the hoes on my click
Snapchat send me that dick pic
Looking ready for a bingo brunch
Beat the face with Hawaiian punch
Dick for breakfast and a cock for lunch
Look at that mug
Oh crunch, crunch, crunch

Glitter on my dick
Glitter on my dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Ah-ah-oh-oh

Don't touch it
I'm not your puppet
Daddy mother-fuck it
I'm not your puppet
Bitches can suck it
I'm not your puppet
Daddy mother-fuck it
I'm not your puppet

Call me Craig 'cause I'm on that list
Drink dick like Sierra Mist
If you're down let me take that piss
So tight, taking that fist
Roaches in my bag
Roaches in my suitcase
Roaches in my hair
Dickpig riding like pound cake

Glitter on my dick

Glitter on my dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
Glitter on my dick, dick
