

Snaked (Ellis Miah Mix)

Alaska Thunderfuck

Snake in the grass to the snake in my pants
Got them wrapped round my hand they await my command
Measure for measure I work while your leisure
I took all your trash I turned it to treasure

Bitches who call me ruthless can't book a job or do shit
Now stop and ask what the truth is
They're waiting they're hating
Can't stand the cash I'm making I never smile or fake it
Ambition mistaken for snakin' that's my sin

Don't call me sir don't call me ma'am
Don't address the room ladies and gentlemen
Don't come for me don't even come for me
Call me jealousy I'm a killer in this industry
In this industry
Call me jealousy I'm a killer in this- iller in this- iller in this- iller i
n this- iller in this- iller in this industry
