

XOXOY2K

Alaska Thunderfuck

Flip phones, low rise
Cowabunga ecstasy
Couldn't know no better
So I let you fall in love with me
Oh my goodness, oh my God
The turning of the century
Glitterati, internet hottie
Year 2000 fantasy
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K

I could die by looking in your eyes
Why oh why, I wanna make you cry
Bye, bye-bye, no strings attached to mine
Hit me back, maybe one more time

Flip phones, low-rise
Cowabunga ecstasy
Couldn't know no better
So I let you fall in love with me
Oh my goodness, oh my God
The turning of the century
Glitterati, internet hottie
Year 2000 fantasy
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K

Walk away, girl don't do it
If he says it then he's gotta prove it
Make him wait, make him lose it
'Cuz he's lying if his lips are moving

Flip phones, low rise
Cowabunga ecstasy
Couldn't know no better
So I let you fall in love with me
Oh my goodness, oh my God
The turning of the century
Glitterati, internet hottie
Year 2000 fantasy
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K
Ah, ah ah, ah ooh la la la la la

XOXOY2K

Von Dutch, sparkle clutch
Chunky highlights, way too much

Denim skirt, I'm a flirt
Naval piercing, make it hurt
See you in my liquid dreams
Keep it in your JNCO jeans
Ball is gonna drop in 10
I think the world is gonna end
4, 3, 2, 1

Flip phones, low rise
Cowabunga ecstasy
Couldn't know no better
So I let you fall in love with me
Oh my goodness, oh my God
The turning of the century
Glitterati, internet hottie
Year 2000 fantasy
Ah, ah ah, ah ooh la la la la la
Ah, ah ah
XOXOY2K
Ah, ah ah, ah ooh la la la la la

I could be the K Fed to your Britney, baby
Ugh, as if!
