

Magic

Alayna

Call it magic
Call it true
Call it magic
When I'm with you
And I just got broken
Broken into two
Still I call it magic
When I'm next to you

And I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you
I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you

Call it magic
Cut me into two
Now with all your magic
I disappear from view
And I can't get over
Can't get over you
Still I call it magic
Such a precious truth

And I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you
I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you

Wanna I fall
Fall so far
I wanna fall
Fall so hard

And I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you
I don't, and I don't, and I don't, and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you

And call it magic
I call it true
I call it ma-, ma-ma-magic

If you were to ask me
After all that we've been through
"Still believe in magic?"

Well yes I do
Yes I do
Well yes I do
Well yes I do
Of course I do
