

## Other Than Nothing

Alayna

I may be low but at least I'm feeling  
It may be slow but at least I'm healing  
And I don't know where to go from here  
And I don't know how to place my tears  
It may be hard but it's so revealing

I needed a hero  
Maybe it was me all along  
I needed a safe place  
I could have made it long ago  
It's at the tip of my tongue  
At the top of my lungs  
All the aching I've done  
Maybe it wasn't unsung  
Can't speak for tomorrow  
But today I feel something  
Other than nothing  
Other than nothing

Beneath my feet all the ashes conquer  
Reflect the lives no longer on offer  
And though I'm mourning everything I was  
The memories will grow around my bones  
Like a forest fighting back after disaster  
This is gonna make me stronger

I needed a hero  
Maybe it was me all along  
I needed a safe place  
I could have made it long ago  
It's at the tip of my tongue  
At the top of my lungs  
All the aching I've done  
Maybe it wasn't unsung  
Can't speak for tomorrow  
But today I feel something  
Other than nothing  
Other than nothing

I may be low but at least I'm feeling  
It may be slow but at least I'm healing
