Tender

Alayna

Wondering out loud
Have I lost myself?
Lately these days are making a stranger out of me
Where'd I put my worth?
Must have lost it in the falling leaves

My solitude ain't the same no more
Tender heart, won't you come back?

Ooh, my softness is my superpower
Ooh, what do I do when the night is over?
Over

'Cause I keep turnin' all these pages
I keep falling underneath the weight of myself
And I don't know how
If this is how it is, then I don't want a piece of it
Don't tell me that it fades more as I grow

Ooh, my softness is my superpower
Ooh, what do I do when the night is over?

Tender, like I've never felt the feeling
Tender, like I'm breaking into pieces
Tender, like I still believe in goodness

Tender, like I've never felt the feeling
Tender, like I'm breaking into pieces
Tender, like I still believe in goodness

Ooh, my solitude ain't the same no more
Oh tender heart, won't you come back?

Ooh, my softness is my superpower
Ooh, what do I do when the night is over?

Tender, like I've never felt the feeling
Tender, like I'm breaking into pieces
Tender, like I still believe in goodness

Tender, like I've never felt the feeling
Tender, like I'm breaking into pieces
Tender, like I still believe in goodness
