

Frosty

Albert Collins

3 and 3 is 6, baby
3 and 6 is nine
If you gimme your 6
Baby, I'll give you mine

Well, I went to Detroit city
My feet got soaking wet
I was soaked, I was frostbitten
And I ain't thawed out yet

So long, baby
Hope we'll meet again
If you ever in trouble
Just remember I'm your friend
