Head Rag

Albert Collins

Here she come, yeah, with that head rag on
There she go, yeah, with that head rag on
Here she come, with that head rag on

If you're walkin' down the street, wavin', ev'rybody see me
Sayin' "hello there", walkin' in her stockin' feet
Here she comes, ooo, with that head rag on

Stayin' out all night long
Talkin' 'bout anything
Doin' ev'rything wrong, girl, oh oh

Here she come, yeah, that head rag on
There she goes, yeah yeah, with her head rag on
Here she come, with that head rag on
Eeow!
