Quicksand

Albert Collins

They tell me love is like quicksand
Can't stop when you're sinkin' down
Tell me love is like quicksand
Can't stop when you're sinkin' down

My gal lead me down to the suction
And I know, I just can't turn around

She's a hardheaded woman
An' she always treat me wrong
She's a hardheaded woman
An' she always treat me wrong

She treat me so bad
That's when she make me weep and moan
Hey

She's a hardheaded woman
She always treat me wrong
I'm sick an' down baby
'Cause you always treat me wrong

My hand raised for help
Won't you listen to me weep and moan?
