

Rocket

Albert Hammond, Jr.

Oh, my rocket, oh, oh my soul
Oh, my rocket, oh, what it ever knows
Oh, my rocket, oh, my rocket
Oh, oh, oh, my rocket, oh, oh my soul

And when you come down, you know how to use it
You never come ?round when I am down
Oh, and time has abused it
You, me, me, let's see

Well, oh my rocket, oh, oh my soul
Oh, disaster, oh, what it ever knows
Oh, my rocket, oh, my rocket
Oh, oh, oh, my rocket, oh, oh my soul

And when you come down, you know how to use it
You never come down since I've been down
But now you go up, oh, time has abused it
You, me, let's see
