

Give A Little Love

Albert Hammond

Living in this crazy world
So caught up in the confusion
Nothing is making sense for me and you

Maybe we can find a way
There has got to be solution
How to make a brighter day?
What do we do?

We've got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We can really make it better
Only if we try

Got the worries on our minds
We got the troubles on our shoulders
Sometimes it just seems so much
What we go through

But maybe if we take the time
Time to understand each other
We can learn to make it right
What do we do?

We've got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We can really make it better
Only if we try
Only if we try

If everybody's take somebody by the hand
Then maybe everyone could learn to love and understand that

We can really make it better
Only if we try

We've got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We've got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We can really make it better
Only if we try

We've got to give a little love, have a little hope
Make this world a little better

Try a little more, harder than before
Let's do what we can do together

We can really make it better
Only if we try

We've got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together
