

# Corrina, Corrina

Albert King

Got a bird that whistles  
Baby got a bird, mama got a bird that sings  
Baby got a bird, mama got a bird that sings  
Without my Corina, life don't mean - life don't mean a natural thing

I love to love you  
Baby 'fore I call, mama 'fore I call your name  
Baby 'fore I call, honey 'fore I call your name  
I wouldn't trade your love for money  
Baby you're my honey, mama you're my baby I explain

Lord have mercy  
Mama on my bad luck, baby on my hard luck soul  
Baby on my bad luck, mama on my hard luck soul  
You got a ring around my shoulder, it shine like silver, honey look like natural gold  
...And I ain't jivin'  
Go ahead

Got a bird that whistles  
Mama got a bird, baby got a bird that sings  
Mama got a bird, baby got a bird that sings  
Without my Corina, life don't mean - life don't mean a natural thing

Corina, you know I love you  
Corina, I got to have you, babe  
I miss you, won't you come on home

Got a bird that whistles  
Baby got a bird, mama got a bird that sings  
Baby got a bird, mama got a bird that sings  
Without my Corina, life don't mean - life don't mean a natural thing

I love to love you  
Baby 'fore I call, mama 'fore I call your name  
Baby 'fore I call, honey 'fore I call your name  
I wouldn't trade your love for money  
Baby you're my honey, mama you're my baby I scream

Lord have mercy  
Mama on my bad luck, baby on my hard luck soul  
Baby on my bad luck, mama on my hard luck soul  
You got a ring around my shoulder, it shine like silver, honey look like natural gold  
...And I ain't jivin'  
Go ahead

Got a bird that whistles  
Mama got a bird, baby got a bird that sings  
Mama got a bird, baby got a bird that sings  
Without my Corina, life don't mean - life don't mean a natural thing
