

# Don't Let Me Be Lonely Tonight

Albert King

Do me wrong, you can do me right  
Tell me lies, but hold, hold me tight  
Save your goodbyes for the morning light  
But don't let me be lonely tonight

Say goodbye, say hello  
It's sure enough good to see you  
But it's time to go  
And don't say yes  
But please don't say go  
I don't want to be lonely tonight

Go away then, down you  
Go on and do as you please  
But you ain't going to see me  
Getting down on my knees  
'Cause I'm undecided and your heart's been divided  
You've been turning my world, upside down

Do me wrong, but do me right  
Tell me lies but hold, hold me tight  
And save your goodbyes for the morning light  
But don't let me be lonely tonight

Don't let me be lonely tonight  
Don't let me be lonely tonight  
Don't let me be lonely tonight  
Don't let me be lonely tonight
