

# Bloodshot

Albin Lee Meldau

Monday morning be coming  
As I hang myself up to dry  
Tear drops be falling  
And you're the reason why

Someone else will be coming  
No matter how hard I try  
We all need someone to lean on  
To dry our bloodshot eyes

Lying in my bed, I need something  
Crying in my bed, I feel something  
Lying in my bed, I need something  
It's you

How I wonder  
Is there someone new  
Yes, I wonder  
Lying next to you  
Oh yeah, I wonder  
Is there someone new  
Next to you

Don't you worry about shit, baby  
I'll be there if you please  
See, this pillow's so wet now  
But you'll drive on, Thelma and Louise

Lying in my bed, I need something  
Crying in my bed, I feel something  
Lying in my bed, I need something  
It's you

How I wonder  
Is there someone new  
Yes, I wonder  
Lying next to you  
Oh yeah, I wonder  
Is there someone new  
Next to you

How I wonder  
Is there someone new  
Yes, I wonder  
Lying next to you  
Oh yeah, I wonder  
Is there someone new  
Next to you

Now I know  
Now I know
